<p>Previous Experiences published publicly from prior language assistants</p>	<p>- On behalf of the high school (management and teachers), we have to highlight the wonderful experience we have had with our auxiliar.</p> <p>My time in IES El Coronil has been one of the most enjoyable and special experiences of my life. From the start, the management and staff of the school made me feel comfortable and part of the team. Do not let the commute from Sevilla or other villages put you off - for me it has totally been worth it. Everyone I worked with has been so warm, helpful and welcoming. I truly felt part of the school and that my role as an Aux was valued. I also have made friends for life through my colleagues in El Coronil. I count myself lucky that I got to experience a year in El Coronil as an Aux whilst living in Seville. The staff gave me the opportunity to teach about my culture, traditions and values and I thoroughly enjoyed assisting the children with their development in English. You couldn't pick a better school with better management and nicer staff. It has truly been a pleasure.</p>
